Dear Parent/Carer

**Re: Y11 Success Evening on Tuesday 23<sup>rd</sup> October 2018  
4:30pm - 6:00pm**

I am writing to invite you to the Mexborough Academy Y11 Success Evening.

The evening is an opportunity for students and parents to attend sessions lead by our Heads of Science, English and Maths. The sessions will ensure you are familiar with the requirements of the GCSE exams and will enable you to effectively support your child's home study. We will be providing students with revision guides as well as access to online resources to enable them to maximise their learning and preparation outside of the classroom. Students will also receive a passport and we will launch our revision incentive scheme. These will only be handed out at this event so your attendance is essential.

We will be serving pie and peas in the Academy canteen from 4:30pm.

I would also like to take this opportunity to inform you of our Supportive Enrichment sessions that take place in the Academy from 2:30pm - 3:30pm, exclusively for our Y11 students.

Night	Subject
Monday	Science
Wednesday	English
Thursday	Maths
Friday	Targeted Subject Intervention for all other subjects

We expect all Y11 students to attend Supportive Enrichment sessions and would ask that if this poses an issue for your son/daughter, you let the Academy know. Research shows that attendance at these sessions greatly improves the chances of a better grade in the summer. Students can benefit from more targeted revision at these sessions, informed by the recent assessments students have completed in the Academy.

We look forward to welcoming you to our Y11 Success Evening and to continuing to support your son/daughter to achieve their potential.

Yours sincerely
